Webex

Web-conferencing software which can be used for live group interaction.

Note: students do not need an account to join a presentation, only the host (professor) needs an account. When prompted, we recommend using the browser version rather than the desktop version.

Installing Adobe Acrobat DC and Creative Cloud Applications

All university-owned Windows computers have the main Adobe Creative Cloud application installed, which manages the individual Adobe applications. However, due to the size, the standard Eastern package only includes some of the individual applications. If the application you need is not on your machine, you may download and install it from the Adobe Creative Cloud Application using the steps below.

Adobe Applications include the following:

- Acrobat DC
- Aero (Beta)
- After Effects
- Animate
- Audition
- Bridge
- Camera Raw
- Character Animator
- Dimension
- Dreamweaver
- Illustrator
- InCopy
- InDesign
- Lightroom
- Lightroom Classic
- Media Encoder
- Prelude
- Premiere Rush
- XD
- Photoshop
- Premiere Pro

Installing the Main Creative Cloud Application for Home Use Installation

If you are trying to get Adobe applications for home use, you will first need to download and install the main Creative Cloud Application from the following link and then follow the rest of the instructions:

NOTE: These products are provided to faculty and staff at no cost to them. If during the process, you are prompted to pay for anything, then you have made an error.

Link to download the main Creative Cloud Application (Home Use Installation Only): <https://creativecloud.adobe.com/apps/download/creative-cloud>

Instructions for Eastern-owned machines or home use machines after installing the main Creative Cloud Application:

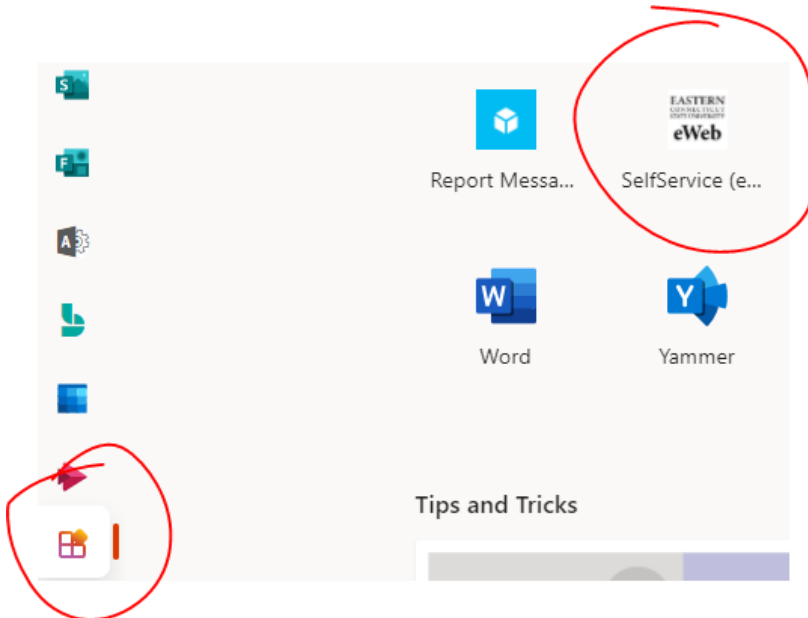

1. Launch the Creative Cloud Application from your Start Menu
2. Enter your email address and choose **Company or School Account** when prompted
3. Enter your email address as the username and your Eastern Email password whenever prompted.
4. Click on Apps to see the list of Apps you can download and install.

Logging into SelfService (eWeb)

Access Self Service (eWeb) by first logging into Office 365.

Accessing from the O365 portal page:

- Access SelfService (eWeb) through the Office 365 portal at:
<https://www.office.com/?auth=2&home=1>
- If you are prompted to sign in, use your Eastern email address as the username and your Eastern Email password (Do not use your Eastern ID and PIN)
- Click on the SelfService (eWeb) icon.

- It should automatically log you in to SelfService (eWeb) and present your with your information. For future ease of access, pin this icon to your launcher by clicking on the 3 dots to the right of the icon and selecting Pin to launcher.

Accessing from any O365 online page (Outlook, OneDrive or any O365 page):

- Click the Main Menu icon (looks like a waffle or grid) in the top most section
- On the resulting menu, click All Apps →
- Scroll down until you find the SelfService (eWeb) icon
- Click the SelfService (eWeb) icon, it should automatically log you in to Self Service (eWeb) and present your with your information. For future ease of access, pin this icon to your launcher by clicking on the 3 dots to the right of the icon and selecting Pin to launcher.

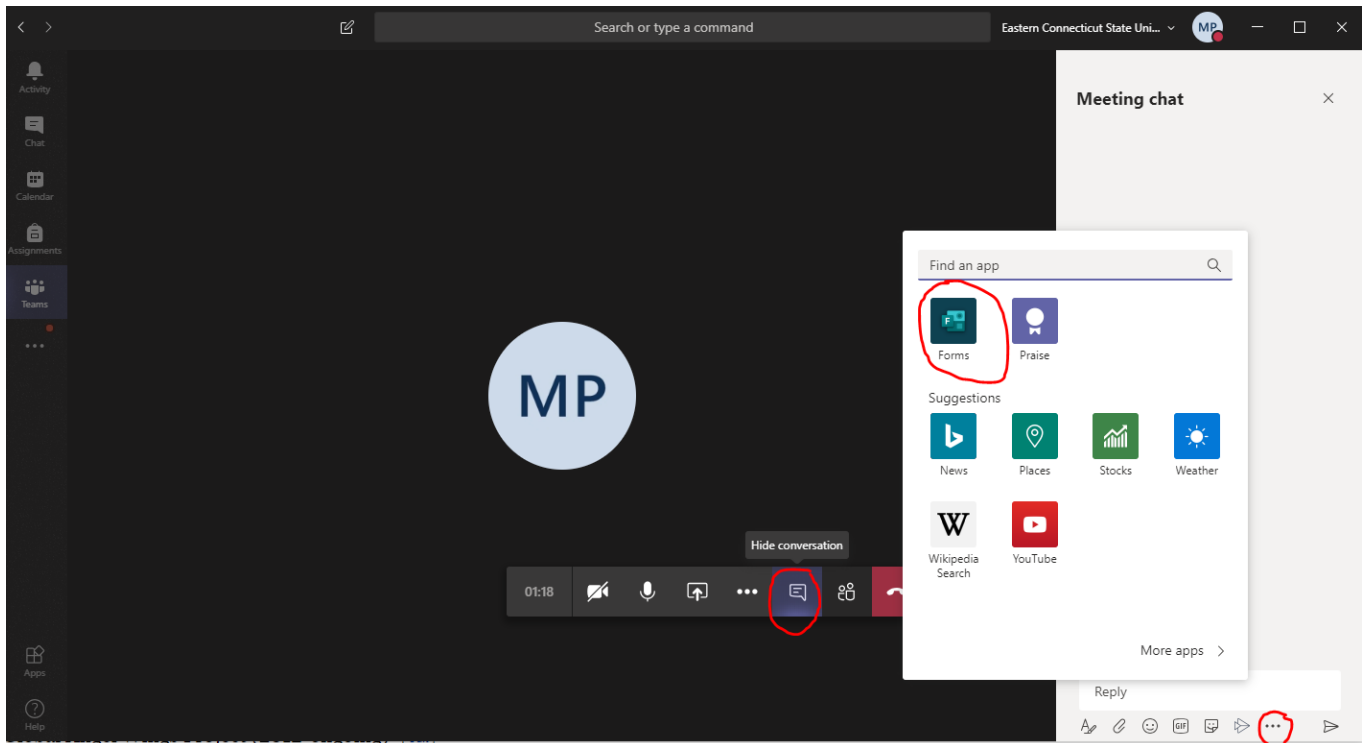

NOTE: if you see *null Setting Up... icons* on the lower section of the O365 portal page, access SelfService (eWeb) using the Accessing from any O365 online page (Outlook, OneDrive or any O365 page) instructions above.

If you are looking for the *Class Schedule - Search Course Offerings* link that use to be available without logging in, you can now find that by logging in to SelfService (eWeb), or by going to the Registrar's page (<http://www.easternct.edu/registrar>) and click on Course Offerings where you do not need to login.

Polling in MS Teams

MS Teams has a polling feature that can be used in chat or a live meeting. Results are visible to team members in real time.

1. Access the chat from the live meeting
2. Click the three dots at the bottom of the chat tool
3. Click Forms (if it's not already showing then search for forms in the Find an App field at the top)

4. Type a question and answers. You can add an option if you need more answers. Selecting multiple answers will let voters choose more than one response.
5. Click Next when you are done.
