Qualtrics Training

Learn to use Qualtrics Core XM: https://basecamp.qualtrics.com/series/learn-to-use-qualtrics-research-core

Topics include:

- 1. Configuring Your CoreXM Project, 25 MIN

- Costinguring Your CoreXM Project, 25 MilN
 Customizing Your CoreXM Project, 26 MilN
 Finalizing Your CoreXM Project, 21 MIN
 Collecting CoreXM Feedback, 22 MIN
 Understanding Your CoreXM Feedback, 20 MIN
 Analyzing Your CoreXM Feedback, 75 MIN
 Reporting Your CoreXM Feedback, 7 MIN

Qualtrics Platform Essentials Certification Journey (L1): https://basecamp.gualtrics.com/series/gualtrics-platform-essentialscertification

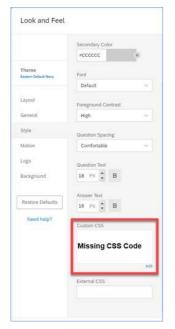

Topics include:

- 1. Experience Management: A Brief Introduction, 22 MIN
- Planning and Designing a Survey, 35 MIN
 Building a Survey Project, 1 H 28 MIN
 Distributing a Survey Project, 33 MIN

- 5. Understanding Survey Data, 35 MIN
 6. Reporting Survey Results, 53 MIN

Qualtrics- Remove Forward Arrow with CSS/JavaScript Code

The image below pertains to removing the arrow button from all questions using the CSS code.

The image below pertains to removing the arrow button from specific questions using the JavaScript code.

E.		Not Valuable 1	2	3	4	Very Valuable 5	Unsure/ No Opinion
	Reduce overall societal costs of healthcare (e.g., fewer people may need treatment, fewer people may have complications from illness)	0	0	0	0	0	0
	Increase in overall wellness and healthiness in society (e.g. people will live healthier and longer lives)	0	0	0	0	0	0

• Remove forward arrow per question CSS Code:

#PreviousButton, #NextButton{

display: none;

}

• Remove forward arrow for all questions JavaScript code:

Qualtrics.SurveyEngine.addOnReady(function () {

\$('NextButton').hide();

\$('PreviousButton').hide();

});

InspiroScan - Scanning Test and Survey Forms

These are instructions to scan InspiroScan answer forms (bubble sheets).

The scan station is located in J. Eugene Smith Library on the 4th floor (LIB 430). The copier room is outside the Center for Instructional Technology.

Scan Survey and Test Forms

You must use one of the three forms provided below

Print all forms directly from the chosen .pdf file. Photocopies of an existing bubble sheet will not work.

ASSESSMENT FORMS - (with name entry)

- 100 Questions Test Form Student number identification, last name, and first name included on the form FORM Definition ID: IAS0325 - IAS0325-100Question_FirstLastStudentNo.pdf
- 100 Questions Test Form Student number identification, last name, and first name included on the form FORM Definition ID: IAS0318 - IAS0323-200Question_FirstLastStudentNo.pdf

SURVEY FORMS - (no name entry)

100 Questions Survey Form — Student number identification only included on the form (Student ID may or may not be filled for anonymous surveys)
 FORM Definition ID: IAS0305 - IAS0305-100Question_StudentNoONLY.pdf

There are three distinct steps needed for the scanning process:

- Activating the Scanner feature on the copier
- Login into the desktop terminal and InspiroScan
- Deleting results and resetting the session

This is a self-service station, but individuals can book an appointment for assistance in scanning their documents with a CIT staff member via the CIT one-on-one bookings link: https://outlook.office365.com/owa/calendar/CITTraining@myeasternct.onmicrosoft.com/bookings/

Activating the Scanning Feature on the Copier

The copier must be set to scanning mode to be able to connect with the InspiroScan software

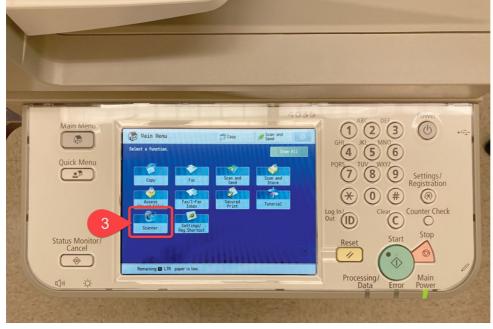

1. Click on the Power button to wake the copier.

Ma Manu Quick Menu The Status Monitor/ Cancel Canc	Porestings/ Pores

2. Click the Show All button on the upper right corner of the screen.

3. Click the Scanner button.

4. Click Online.

5. When the Online button is yellow, the copier is ready to scan the answer key and test forms.|

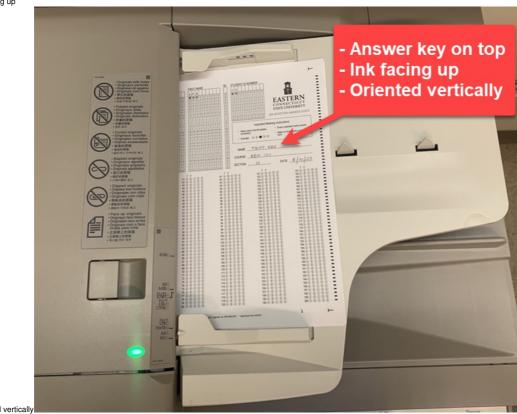

6. YOU ARE NOW READY TO SCAN.

Place your stack of answer forms with the answer key facing up vertically in the copier paper feeder.

Answer key on topInk facing up

Oriented vertically

Login and InspiroScan Application

1. Log into the computer terminal in room LIB 430 with local credentials at station.

2. Launch the InspiroScan from the desktop shortcut.

🔿 Inspir	oScan, Version 7.3068 Run from: C:\Inspire	oScan\		-		×

5. Verify that Network ScanGear 2.2.30 is selected. Click Select.

6. The copier will start scanning your stack of forms. Note: If you've forgotten to place your documents in the copier feeder, you can place them in the feeder now and click Retry.

7. If you have too many forms, you may choose to scan your batch in groups. If this is the case, then add more forms to the feeder and click yes when asked Do you want to scan more forms into this batch? When you are done scanning, click No.

8. Refer to the InspiroScan Help Window for help in evaluating your scan results

9. To export scan results, click Reports.

A file named: CurrentReport.xlsx will open in Excel on the computer. Save this file to your OneDrive for future reference. The Excel document contains multiple worksheets:

- Student Scores
- Responses Per Student
- Individual Student Responses
- Individual Student Resp + Ans
- Item Analysis

Report Sample: CurrentReportTest.xlsx

You cannot print your results from InspiroScan, nor can you print from this computer terminal.

Resetting session

IMPORTANT, when you have finished scanning and have saved your results:

- 1. On the computer terminal: Email your results to yourself or save the file(s) to your OneDrive and restart the computer. (Restarting the computer will wipe your data from the computer terminal

2. On the copier: Click the scanning function back to offline. You may hit the Main Menu button if you wish.
